

## Urgent Announcement

March 30, 2020

The coronavirus, Covid 19 pandemic, is currently causing a big impact on the global economy, public health and safety concerns.

As a responsible exhibition organizer, we are deeply concerned about health and safety of our exhibitors and team, the visitors/buyers and general public.

After close consultation with the relevant government agencies, private associations, and of course many exhibitors, we have firmly decided to reschedule our four shows, TFBO, TRAFS, ASEAN Retail, and Pub & Bar Asia from July 16-19 to

**New exhibition dates: October 14-17, 2020**

**Venue and halls remain unchanged: EH102-104, BITEC, Bangkok**

We are optimistically hopeful that our scientists/medical researchers can in the meantime speedily produce vaccines/cure medicine to end the disease widespread.

We also do believe that the new exhibition dates will be a turnaround period when our industry fully recovers from months long of quiet period and it will enhance exhibitor business opportunities and success during the show.

**Please mark the new exhibition dates in your calendar.**
